

Rockbridge Medical Coordinator

The Rockbridge Medical Coordinator (RMC) acts as a liaison between ComfortCare Women's Health and the local medical community in Rockbridge County, Virginia. This position investigates and identifies Rockbridge medical professionals, offices, services and suppliers, developing ways to grow medical relations in this area. This individual approaches identified medical professionals concerning networking opportunities, keeps a record of contacts, and conducts presentations when appropriate.

This position requires an outgoing, professional, and organized individual with a current (or recent) position in the medical field.

Candidates should be a Rockbridge resident, committed Christian with regular church attendance, and able to sign the ComfortCare Statement of Faith, Statement of Principle and complete a ComfortCare Volunteer Application.

The RMC is a volunteer position requiring approximately 3 hours per week of service for 12 months. This position reports directly to Wanda Crosby, ComfortCare Nurse Manager.
