

comfortcare women's health baby bottle campaign

ComfortCare is a life-affirming, non-profit medical clinic that empowers women to make healthy life choices.

We seek to offer complete **education** so that they can make a fully informed decision. We strive to **equip** women with resources that strengthen each component of their whole self. We surrender to the Holy Spirit that it may be her guide and source of **empowerment** to choose life for her and her child.

Participating is easy!

1. Take a bottle today and fill it with change, cash, or checks.
2. Return to the designated area by June 16th (Father's Day)
3. OR Give Online at SupportCC.org

ComfortCare Women's Health
Caring for women- body, head, & heart
