

Your pocket change can change lives.

With your support, the Baby Bottle Campaign provides over 65 women with **FREE** life-saving services.

What if just the change in your pocket could make all the difference for a baby and her mom? Your support enables Comfort-Care to provide medical services to women in unplanned pregnancies free of charge, regardless of income or insurance coverage.

ComfortCare is a non-profit, life-affirming medical clinic that exists to promote value of life through the love of Jesus Christ by providing limited medical services for early pregnancy and reproductive issues, promoting healing from pregnancy decisions, and encouraging moms to embrace healthy lifestyle choices.

Participating is easy!

1. Take a bottle today and fill it with change, cash, or checks.
2. Return to the designated area by June 16th (Father's Day)
3. OR Give Online at SupportCC.org

ComfortCare Women's Health
Caring for women- body, head, & heart
